Schools are closed on February 18th for President's Day break, 18th and 20th are no good due to Competition Cheerleading. Mondays, Fridays, and Saturdays is when the Café is available in February.

How many do you expect?- maybe we could use the media room or another venue.

Hi Scott,

I don't mean to be a pest, but I was wondering if you had come up with any date for our public meeting within the two weeks I asked about – Feb. 3 and Feb. 10.

Thanks and have a nice weekend!

Hi Scott,

Joe and I met today to discuss moving forward to set up a public meeting to present EPA's preferred alternative for the groundwater. He's working to finish up the proposed plan so we don't have a date yet for the start of the comment period but hope to shortly. In the meantime, you had said that you would assist us by reaching

out to the middle school since that's where we've had our meetings in the past. Please let me know if the weeks of Feb. 3 and Feb. 10 look possible. I want to make sure the date doesn't interfere any plans the school or borough might have. We usually don't do Mondays or Fridays, but either week – Tuesday, Wednesday and Thursday should be fine.

Thanks in advance for you assistance,

Pat
